## Communists Take Over Complete Control Of City Hall In Berlin

## REDS SET UP RUMP REGIME OVER CAPITAL

Display of Force Follows Putsch in Which Reds Name Own Administration

## MAYOR DENIED OFFICE

Berlin, Dec. 1—(AP)—Communists took over complete control today of the Berlin city hall, which is in the Soviet sector.

Russian-controlled German police barred the acting mayor of the city from his office in the city hall.

This display of force followed up the putsch yesterday in which Berlin Communists named their own rump city administration.

The acting mayor is Ferdinand Tiedemann, a Christian Democrat. Five officers of the Russian-controlled police stopped him at the door when he sought to enter his office at the city hall.

Communist Friedrich Ebert, whom the Communists "elected" mayor unanimously in their controlled convention yesterday, later entered for conferences with his chief of the city economics department, Karl Marx.

The division of the city prompted some German anti-Communist leaders to renew a demand that the United States, Britain and France make the western mark to sole legal money for western Berlin.

Both western marks and Soviet-sponsored marks circulate now in the western sectors of Berlin. The western powers have hesitated to do all out with western marks ever since the possibility remained of a United Nations solution of the dual currency problem.

Friedensburg and a few other elected officials had retained offices in the city hall after riotous Communist demonstrators had driven the anti-Communist city assembly and most other officials to western Berlin, which is occupied by the United States, Britain and France.

Friedensburg's aim was to maintain at least the symbol of a central administration for this divided city as long as possible.

Now the Communists apparently are putting a halt even to that action and taking over in force. For more than a week Communist police have been keeping a close guard on the city hall to prevent anti-Communist officials from removing any records. By keeping all the city records the Communists apparently hoped to ripple the work of the government in western Berlin.

The Russian-controlled ADN emergency sale police barred Friedensburg because "he has been dismissed as mayor and entrance to the city hall is now barred to all members of the former magistrat (government) and their offices are locked."

The mayor of Berlin, is Mrs. Louise Schroeder, 61. She has been handicapped by illness. Friedensburg has served for her.

Ottomar Gescuske, a leader of the Communist-dominated SED party, sent letters to the military commanders of the four occupying powers last night asking for recognition of the new regime.

**TRAFFIC FATALITY**  
Altoona, Dec. 1—(AP)—Injuries sustained when she was struck by a auto last Wednesday proved fatal yesterday to Mrs. Anna W. Hill of Dumansville.

Her husband, Fred, 53, who also was hit, remains a patient at an Altoona hospital where his condition was reported fair.

**Hunter Fatalities In Nation May Exceed Last Year's Toll**  
Chicago, Dec. 1—(AP)—At least 10 persons in 21 states have been killed so far this season by hunters while hunting deer.

Other fatalities in connection with the deer hunting trips—falling, auto accidents, heart ailments—boosted the death toll to more than 200.

The entire toll probably will surpass last year's, when 141 hunters were fatally shot. In some states this year's hunting season has not ended or has not begun.

A survey of the Associated Press showed Maine leading the list of reported gunfire casualties with 17.

New York counted 16, Colorado 10, Michigan 10, Wisconsin 10, Idaho 9 and Oregon 7. The New York, Colorado and Idaho totals are records.

## Hospitals Need \$28,500,000 In State Aid, Committee Says

Harrisburg, Dec. 1—(AP)—Pennsylvania hospitals will need \$28,500,000 in state aid from the 1949 legislature, a joint legislative committee was told yesterday.

The plea, representing a \$17,000,000 increase over the 1947 appropriation, was presented by the Pennsylvania Hospital Association at a joint meeting of the appropriations committees of the senate and house.

The committees, headed by Sen. Leroy E. Chapman (R-Warren) and Rep. Norman Wood (R-Lancaster), have been meeting together since the end of the 1947 session, gathering data on what funds will be required for the next two years.

Robert W. Gloman, administrator of the Wilkes-Barre General Hospital, outlined the case for the hospitals to the committee.

He said the last legislature established the rate of \$5.50 for each day of free service but that the state-wide average has been \$3.95 because of a greater need for hospital care than anticipated.

Gloman requested that the present \$12,250,000 for in-patient service be increased to \$21,500,000 and that hospitals be granted an additional \$7,000,000 for out-patient service and another \$1,000,000 to help pay the cost of training nurses.

At the present time, the state makes no contributions toward the operation of dispensaries or nurses training schools.

Gloman suggested that the state assume half the cost of dispensary care, which averages a little more than \$2 a patient. The number of patients was estimated at 7,000,000.

He also urged that the state contribute \$75 a year toward the training of the 7,100 student nurses in training schools of eligible hospitals.

**UNION CITY BUSINESS SECTION HAS BLAZE**  
Union City, Dec. 1—(AP)—Damage estimated at \$52,000 resulted from a fire last night which threatened this Erie county community's business section.

The fire, of unknown origin, broke out in the Gartner and Hoff grocery store. Firemen battled more than two hours before bringing it into control.

Sam Palmer, owner of an adjoining tavern and also owner of the two-story grocery building, said firemen were aided by firewalls which separated the tavern on one side and an auto accessory shop on the other.

Palmer estimated the building's damage at \$15,000, the grocery stock at \$15,000 and water damage to the tavern and accessory store at \$1,000, each.

**NEW HOME FOR AGED**  
Pittsburgh, Dec. 1—(AP)—Work on a \$1,250,000 Presbyterian home for the aged at Oakmont will start with ground-breaking ceremonies Thursday, Dec. 9.

About 160 men and women will be housed. The building will have hobby and recreation centers, a library, a chapel and special staircases and handrails.

**HOUSING OVERCHARGES Extra Money For Vets**  
Pittsburgh, Dec. 1—(AP)—Five Versailles township ex-GIs today had extra money for Christmas.

The five yesterday received funds from a building contract—checks totaling \$2,424 in refunds for overcharges on houses he sold them.

The payments ranged from \$200 to \$725.

The vets complained to the Veterans Administration after purchasing the houses. The VA investigated and found the contractor willing to settle out of court.

## Giant Liners Start Voyages To America

London, Dec. 1—(AP)—The heaviest fog in a generation blanketed western Europe for the fifth consecutive day today.

Traffic hazards and accidents in a dozen mist-swathed countries increased hourly. Planes were grounded and bus, train and streetcar schedules disrupted.

Southampton was an exception, however. The fog lifted and sunlight gleamed through the clouds.

The British liners Queen Elizabeth, Queen Mary and Aquitania, seized the opportunity to quit the docks for voyages to America.

To avoid congesting Cunard facilities in Cherbourg and New York the Queen Mary was ordered to keep up for 24 hours in Cowes road before resuming her voyage.

This will allow the Elizabeth to discharge passengers and start home from New York before the Mary casts anchor there.

The Queen Elizabeth slipped out on the tide for New York 14 days behind schedule. The giant luxury liner first was delayed because her crew refused to ship out while the American longshoremen's strike was on.

Elsewhere in Britain, the fog hung over cities and countryside.

## PLANS DISTRIBUTION OF 60 MILLION BIBLES

New York, Dec. 1—(AP)—A five year program for distribution of 60,000,000 Bibles in this country and abroad has been launched by the American Bible Society.

Dr. Eric M. North, the society's senior secretary, said in announcing the program yesterday that production and distribution of the Bibles will necessitate the raising of \$11,588,484.

The committees, headed by Sen. Leroy E. Chapman (R-Warren) and Rep. Norman Wood (R-Lancaster), have been meeting together since the end of the 1947 session, gathering data on what funds will be required for the next two years.

## CHINA'S FIRST LADY ARRIVES TO SEEK AID

Madame Chiang Kai-Shek Is Greeted By Top American Officials At Capital Airport

## WILL VISIT MARSHALL

Washington, Dec. 1—(AP)—Madame Chiang Kai-Shek, first lady of China, arrived today to seek new American backing for China's hard-pressed Nationalist government.

The Chinese first lady was met at the airport by Mrs. George C. Marshall, wife of the secretary of state.

Ambassador Wellington Koo and other embassy officials also greeted her. Madame Chiang arrived at 10:00 a. m. from San Francisco aboard President Truman's former personal plane, the Sacred Cow.

Top American administration officials were missing. The state department sent Walter Butterworth, chief of its office of Far Eastern Affairs.

Madame Chiang left immediately with Mrs. Marshall for the Marshall home at nearby Leesburg, Va., without a word to reporters on her unofficial mission or any other subject.

She will be Mrs. Marshall's guest there for the time being.

K. W. Yu, secretary to Chiang Kai-Shek who accompanied Madame Chiang from Shanghai, said that she would spend all of today at the Marshall home.

Admiral Koo said he would confer with Madame Chiang there later today.

At the White House, Presidential Press Secretary Charles G. Ross said that Mr. Truman was represented at the airport by his Air Force aide, Col. Robert Landry.

In reply to a question, Ross said he did not know with whom in the government Madame Chiang might confer.

Also in reply to a question, Ross said no engagement for Madame Chiang to see Mr. Truman had been made "up to now."

He added that he did not know whether she had made a request to see the President.

Marshall now is in Walter Reed Hospital for a physical checkup.

State Department officials predict he will be away from his office at least several days. What effect this may have on Madame Chiang's plans was not immediately known.

So far no time has been set for conferences with either Marshall or President Truman.

While American officials undoubtedly will show Madame Chiang every courtesy due the wife of a nation's leader, behind their smiling welcome they are not too happy about the visit.

They expect Madame Chiang not only to appeal to government officials for aid, but also to try to stir up greater popular interest in the Chinese cause.

Her mission comes at a time when Mr. Truman and Marshall apparently have concluded that any aid which would involve this country deeply in the Chinese war is out of the question.

## FOUR MAGISTRATES CITED FOR HEARINGS

Philadelphia, Dec. 1—(AP)—Four Philadelphia magistrates will be given hearings Monday on charges of violating the magistrates' act of 1937.

Warrants for the arrest of the four—Thomas A. Connor, Jacob Doghale, James T. Donnelly, and Joseph H. Rainey—were issued yesterday by President Judge Curtis Bok of Common Pleas Court.

Action against the magistrates was brought by special Deputy Attorney Laurence H. Eldredge.

He contends the four magistrates violated the law by granting continuances and further hearings without noting the reason on police court dockets.

## KNOX HUNTER CLAIMS THE "KING OF DEER"

Knox, Dec. 1—(AP)—John D. Ditty, local carpenter, today exhibited a hunting trophy famed among southern Venango county hunters as the "king of deer."

The huge beast weighed 205 pounds and had a 20-point rack. Ditty said he shot the animal near Oil City Monday, first day of the season. He told of watching the animal's movements for the past five weeks.

Hunters who viewed the carcass declared it the largest ever reported killed in this part of the state.

**RAISE FOR JANITORS**  
Greensburg, Dec. 1—(AP)—The 20 janitors of Greensburg school district last night won from a board of arbitration the \$200-a-year pay raise they've asked for the 1948-49 term.

City Superintendent of Schools Samuel B. Bulick said he would recommend to the school board, at its next meeting, that it accept the arbiters' award.

## Girl Suggests Police Dress As Santa Clauses

Springfield, Mass., Dec. 1—(AP)—A little girl's suggestion that Springfield traffic cops be dressed as Santa Clauses during the Yuletide season makes Police Chief Raymond P. Gallagher pale.

"I noticed that Main street is all decorated for Christmas," the child wrote Mayor Daniel B. Bruntion. "I thought it would be nice if the policemen were dressed up like Santa Clauses."

Bruntion said he asked Gallagher how he felt about the suggestion.

"The chief paled visibly," the mayor reported, adding "It looks as though there isn't going to be any traffic santas on Main street."

## \$60,000,000 Aid For State Institutions

Harrisburg, Dec. 1—(AP)—Pennsylvania's overcrowded mental institutions may get a \$60,000,000 boost from the 1949 legislature.

If such a program is approved by the general assembly, it would bring the total funds allocated to expansion project in recent years to \$142,000,000.

However, details of the new plan are expected to remain a secret until Gov. James H. Duff's budget recommendations shortly after the new legislature convenes January 1.

Construction is already going ahead on a \$70,000,000 expansion program authorized by the 1947 legislature, which added to funds appropriated by previous legislatures, brought the total amount to \$82,000,000.

Of that sum, more than \$60,000,000 has been earmarked for specific projects while at least \$55,000,000 of construction is either completed, under construction or in the hands of architects and engineers.

## Three Arrested In Smashing Of New York Divorce Mill

New York, Dec. 1—(AP)—District Attorney Frank S. Hogan moved today to inquire into some 9,000 Manhattan divorces after smashing an alleged ring charged with faking adultery evidence.

Adultery is the only ground for divorce in New York state.

Three persons—two attorneys and a law clerk—were arrested last night, following three arrests yesterday resulting from investigation into the purported "divorce mill."

Charges in the cases described phony bedroom scenes, staged hotel dates, pre-arranged raids and paid-for testimony.

Hogan said trumped-up evidence has figured in "hundreds of divorces" and that "at least 10 attorneys, perhaps more" are involved.

The disclosures brought under question the status of recent Manhattan divorces.

Hogan mapped a request today to the state supreme court for permission to examine records in untested divorce actions in Manhattan during the past two years.

Such papers are sealed under state law.

About 9,000 divorces, most of them uncontested, have been granted in Manhattan since 1946.

Arrested last night were Luther Georges, 61, and Earnest Muffs, 48, both lawyers, and a clerk in Muffs' office, Harry Ulanoff, 50.

Earlier, police picked up Max Zuckerman, 53, a private detective described as the key figure in the alleged ring; Mrs. Sara E. Ellis, a 20-year-old housewife and mother, and Samuel Schneiderman, 57, a pier watchman.

They were charged variously with perjury, inducing perjury and conspiring in divorce cases. The two lawyers also were charged with professional misdemeanors.

## PITTSBURGH CANCER CLINIC OPENS AGAIN

Pittsburgh, Dec. 1—(AP)—The Drosses - Lazenby clinic, which claims to have an effective treatment for cancer, was back in operation today at a new location in Bloomfield.

The clinic is now in charge of a licensed physician, Dr. Paul A. Murray. He said 40 persons, including 26 former patients had applied for admission. Eight have been accepted.

The clinic opened several months ago in the basement of a Bloomfield church, under the supervision of Philip Drosses and Mrs. Lillian Lazenby. They were arrested on charges of practicing medicine without a license and are now awaiting trial.

**MAIL MAN PASSES HIM UP AND Alias Santa Claus Feels Blue**  
You know, this Alias Santa Claus is a "colorful character."

Take Monday, for instance, he was white as a ghost as the result of having the tassel shot off his cap by a stray bullet from a deer hunter's rifle.

Today, he's blue—deep blue. And for a good reason.

The mailman made his appointed rounds today, and delivered a big batch of the customary first-of-the-month bills, out-of-town newspapers, and a huge postcard from a trout-grower in Texas who is offering Christmas specials—but nary a letter for Alias Santa.

The big fellow's jaw sagged almost two feet when the office girl said today, "No mail today."

He dropped heavily into his swivel chair and stared sadly into space for a long time.

"Oh, well," he finally broke the heavy silence, "Tomorrow's another day."

"I'll bet my many friends will drop a check in the mail for my Christmas Cheer fund tonight when they sit down to catch up on their bookkeeping for the month."

In case you are one of the few who haven't met Alias Santa Claus, he's the mirror-image of Saint Nick. He has been making annual pilgrimages to the Warren area for more than a quarter of a century. He sets up headquarters in the Times-Mirror office where he gathers in contributions of money, toys, clothing, blankets and sundry other articles with which he makes up his Christmas cheer packages for needy youngsters and older folks in the district. It helps him a lot if these contributions reach the Times-Mirror office early.

## GOVERNMENT CUTS AIR LINK WITH ISOLATED SUCHOW FOR BATTLE TO SAVE CAPITAL CITY

Nanking, Dec. 1—Two Nationalist army groups were reported today desperately trying to establish a new defense line to save this jittery capital from advancing Chinese Communists.

Diplomats expect to hear from the government—perhaps within 24 hours—that Nanking is no longer safe for them. Despite government denials, it was learned reliably some warning is being prepared.

These developments came as the government abruptly cut its air link with isolated Suchow, some 200 miles northwest of Nanking and deployed its forces for a battle to save the nation's capital city.

A new defense line was reported under construction on the southern bank of the Itzu river, athwart the approaches to the lower Yangtze valley and 100 miles northwest of Nanking.

The line is anchored to Pengpu, on the rail line midway between Nanking and Suchow, and is being manned by the bulk of some 85,000 troops in the Sixth and Eighth Army groups.

Those groups are the last major Nationalist force standing between Communist armies and Nanking.

The government's 12th army group, of some 150,000 troops, was reported still tightly encircled by seven Red columns about 50 miles south of Suchow, in the Suhhsien sector.

Three other Red columns were report 1 massed about 25 miles south of Suchow to block the southward movement of the Suchow garrison.

Some 250,000 men, was reported abandoning Suchow in an attempt to rescue the trapped 12th army group.

With the Nationalist armies thus separated in three pockets and threatened with destruction by numerically superior Red forces, Nanking circles found little comfort in the preparations being undertaken along the Yangtze river itself.

The airlift to Suchow was stopped as the garrison troops tardily heeded orders to hurry south to relieve the trapped forces.

Nanking urgently ordered the (Turn to Page Eight)

The note gave no hint of what counter-action the western powers might take, and a delegation of officials had no comment on possible events.

An official French spokesman said today Russian Delegate Andrei Vishinsky had accepted the final text of Bramuglia's compromise. This text instructed the negotiators to take recent events into consideration.

Bramuglia had proposed that the commission of experts start work immediately and clear up the problem in time to report back to the Security Council in 30 days.

**WORKMAN INJURED**  
Sharon, Dec. 2—(AP)—Edward Sheets, 52-year-old construction manager from Steubenville, O., was injured severely yesterday by the accidental discharge of a riveting gun. A small rivet went entirely through his right leg. He is reported in fair condition at Buhl Hospital.

**December Ushered In By Chilly Wave**  
Chicago, Dec. 1—(AP)—Chilly weather extended from the Rockies to the east coast and into parts of the south today but no severe cold appeared to usher in December.

Meanwhile, in most parts of the south the worst of the flood threat appeared over although residents in parts of Georgia and Alabama prepared for new river crests.

All danger was considered past in Tennessee where flood waters receded rapidly and in South Carolina rivers reached crests yesterday. Streams in eastern North Carolina were above flood stage but there appeared no threat of extensive damage. The danger spots appeared to be Montezuma, Ga., and Selma and Camden, Ala.

**HUNTING FATALITY FOUND IN ELK CO.**  
Ridgway, Dec. 1—(AP)—The body of Harold Martin, 28, of Pittsburgh, was found today in the woods 15 miles southeast of here. He had been deer hunting.

Game Prot for Edward Richards said the hunter, who had been missing since yesterday, was probably felled by a stray bullet. It was the first hunting fatality in Elk county. He is survived by his widow and a three-month-old child.

## Services Held For World War II Vet

Services in memory of T/5 Charles W. Stephenson, son of Earl Stephenson, of Youngsville, were held from the home of his aunt, Mrs. Laura Hill, 200 College avenue, yesterday afternoon at two o'clock with Rev. E. W. Chitester, pastor of Youngville Methodist church, officiating.

Halgren-Wilcox Post, American Legion, was in charge of the military rites at the grave in Tidououte cemetery with the following, all veterans of World War I, acting as bearers: Burton Campbell, Earl Walter, Henry Danielson, Roscoe Woodward, Howard Husted and Dewey Long.

The firing squad was under the command of Cleon Wood and included George Young, Merlyn Borton, Frank Taydus, Ronald Wood and Elwood Peterson. Acting as color bearers were Jerry Hill and Warren McAllister, with Warren Kingsley and Charles Higgins as color guard. Chaplain for the services was Clair Schnell and bugler was Robert Hutley Wyllys Johnson was acting commander.

## Rat Killing Day Planned In Forest Co.

A rat killing campaign for Forest county is being sponsored by the GI On-the-farm Training Class and the Endeavor and Tionesta Chapters of Future Farmers of America in cooperation with the Agricultural Extension Service.

Rat killing day is Friday, Dec. 17, when the sponsors will prepare bait for distribution over western Forest county. However, the final date for placing orders to obtain poison bait for use in this campaign is Wednesday, Dec. 8.

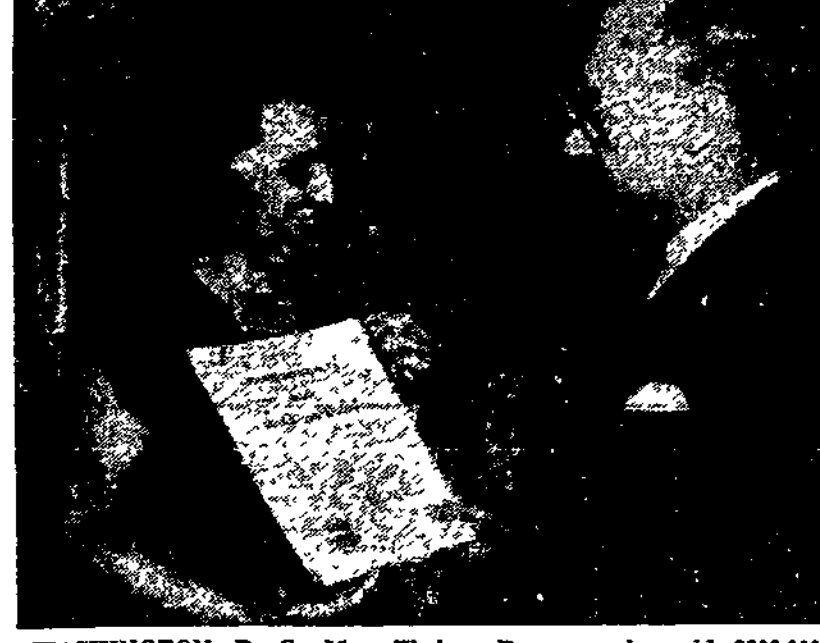

County farmers and borough residents are urged by drive officials to take part in killing as many rats as possible to reduce property and food damages and health hazards.

Those in charge of the campaign estimate that about 5 pounds of mixed bait is required to kill the rats found on the average farm.

Red squill, the only kind of rat poison to be used in the bait on Dec. 17, is the safest rat poison to use on most farms. It is safe because being a powerful emetic, most animals rid themselves of the poison before serious damage is done. However, since rats, mice and rodents in general, are incapable of vomiting they retain the poison in their bodies, and die from its effect.

Orders for the mixed bait may

**HUNTER INJURED**  
A 22-year-old World War II veteran, the fourth hunting victim in the Jamestown area since the deer season opened last Wednesday, who escaped a European campaign without a scratch, is in the W. C. A. Hospital and physicians are fighting to prevent his being crippled for life. He is Norman A. Anderson, son of Mr. and Mrs. Gust Anderson, of Jamestown.

The young man was shot through the calves of both legs while hunting in Hotchkiss Hollow, six miles north of Frewsburg, Deputy Sheriff Clayton D. Stanton said. Stanton learned the shot was fired from close range, the pellets carrying away a portion of the right calf and then the left. Anderson was standing on a log in the brush, he told the officer when suddenly he felt the shot across the back of his legs. The hunter who fired the shotgun did not identify himself, but ran from the scene, leaving Anderson upon the ground.

**BAKER INJURED**

**PROPHET BREAKS EVEN**  
The Rev. and L. Schmitt, 80-year-old evangelist who predicted last June that President Truman would be re-elected, has admitted he was wrong on his guess that Great Britain and Russia would go to war in November. Last June the traveling preacher stated that Dewey would receive fewer votes and 1948 than he did in 1944. Dewey's popular vote was 1,581,000 less than the first time he ran.

**HUNTERS PAY FINES**  
Six hunters paid total fines of \$1,000 plus costs for infractions of state game laws as a result of hearings before Justice Harry Lav of Ridgway. Jackson Clyde and Samuel Clyde of Struthers, O., and Glen Saylor of Williamsport, each paid fines of \$500 on a charge of aiding and abetting and concealing parts of three deer. Two other members of the party, John Brzeznek of Poland, O., and Albert Stokowski, Luboard, O., were assessed costs. William Tyler of Byrnedale, Elk county, was fined \$100 and costs for shooting a buck before the season opened.

**DEER TIMEVES**  
Venango county police and game officials are on the hunt for deer thieves, the result of Howard White losing half of his 185-pound six-point buck, brought down Monday. White and Dr. Frank Penkrat, Jr., his hunting companion, parked their car on Howard street, Franklin, late Monday night. Three quarters of an hour later they returned and the deer was missing. Police found the deer had been taken to the end of Howard street, across the Erie tracks to Atlantic avenue, at a location near the United Brethren church, had been cut in two. The hind quarters are missing. The animal had been properly tagged.

**PLEASANTVILLE SWAMPS SUGAR GROVE, 41 TO 12**  
Pleasantville launched the Upper Allegheny Valley Basketball League season last night by smothering Sugar Grove, 41-12, on the Sugar Grove floor.

Henderson with 15 and Burt with 13 points blazed a hot victory trail for the victors. The Grovers were limited to five field goals.

In a preliminary tilt, Pleasantville Javes topped the Sugar Grove Javes, 36 to 20.

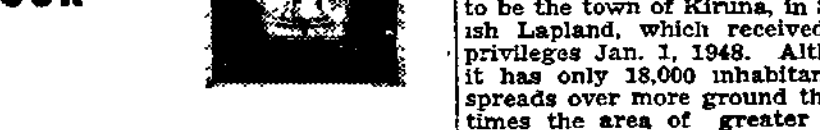

Friday night's league schedule sends Tionesta to Tidououte and Hickory to Youngsville.

The world's largest city, so far as area is concerned, is believed to be the town of Kiruna, in Swedish Lapland, which received city privileges Jan. 1, 1948. Although it has only 18,000 inhabitants, it spreads over more ground than 18 times the area of greater New York City.

**Youngsville  
Library Has  
New Editions**

Youngsville, Dec. 1.—The local library announces addition of several new and quite varied books. For the very young children, there is a story of "Evelyn and the Fish" by F. H. Crestien, and a new edition of "Alice's Adventures in Wonderland" by Lewis Carroll, with original John Tenniel illustrations, should please a large number. Boys, and girls too, will like "Tom Mix and the Mystery of the Flaming Warrior" by George Lowther, as well as "Tick-Tock—A Journey Into the Wonderland of Science" by A. M. Low. Two small books which will delight all nature lovers are "Audubon Birds" with text by Donald A. Shelley, and "American Wild Flowers", which contains hand-tinted lithographs of Edwin Whitefield and text by Emm. C. Emery. "Fundamentals of Shopwork" by Johnson and Newkirk marks the beginning of the library's attempt to secure more craft books.

**DEER SEASON**

All day Sunday a steady stream of cars passed through Youngsville. Unusual weather for November was one reason but the big reason for the unusually heavy traffic was that many of the cars were filled with hunters getting to some of the many camps in this vicinity. Ivan McCanna, East Main street, Youngsville, is credited with killing the first buck of the season in Warren county, getting an eight-point buck shortly after seven o'clock. His buck, fastened to car, caused much interest when he first came into town, particularly among the local school children. Haley Albaugh and Billy York also were lucky local first day hunters. A buck was noticed hanging in the yard of Jack Wheeler. A light snow covered the ground in this vicinity but did not last through the day.

**TO GET LEAVE**

Mr. and Mrs. Marshall Myers, received a telephone call from their son, Marshall Myers, Jr., F. A., of the U. S. Navy, on Thanksgiving Day. He is in the vicinity of Norfolk, Va., and informed his parents that he had enjoyed a fine turkey dinner on board ship. He also informed them he is scheduled to leave for a twenty-day leave starting December 7th, and expects to spend most of it in Youngsville and vicinity.

Male workers were to receive the seven cent increase and women employees were to receive ten cent pay boosts.

**MORE WILD TURKEYS**

Hunters who never saw or never shot a wild turkey before have been totting these trophies out of the woods this season, according to reports received by the Pennsylvania Game Commission. Ross L. Leffler, president of the commission, in commenting on the reports, said an increase in the turkey population is due to the commission's extensive restocking program, under which efforts are being made to reestablish these game birds in much suitable new territory.

**New Jersey Gives  
Dewey Big Margin**

Trenton, N. J., (AP)—Gov. Thomas E. Dewey carried New Jersey by 85,669 votes over President Truman in the Nov. 2 election, official returns show.

The figures disclosed that even without the third party candidacy of Henry A. Wallace, Dewey would have won the state's 13 electoral votes. Wallace got 42,683 votes. Dewey had 981,124; Truman 895,455.

Only one other state, Pennsylvania, exceeded New Jersey's Republican majority.

Four Minor party candidates received a total of 30,293 votes, divided as follows: Farrell Dobbs, Socialist workers, 5,825; Claude A. Watson, National Prohibition party, 10,593; Norman Thomas, Socialist, 10,521; and Edward A. Teichert, Socialist Labor, 3,354.

In the U. S. senate race, Republican Robert C. Hendrickson ran up a margin of 50,306 over Archibald S. Alexander, the Democratic candidate.

### PLIGHT OF UNCLE SAM'S POST OFFICE

The annual "Mail Early for Christmas" warnings have extra meaning this year. The jam in the Post Office for the next few months, reaching a peak in the holidays, is going to be the worst in history.

Last year's Christmas rush was about a third heavier than any year before. This year's rush is expected to be 25 to 30 per cent heavier than that. It comes on top of six months in which the volume of mail handled each month has been greater than last year's Christmas business, which set an all-time record.

Two things, in the opinion of Peter Edson, NEA Washington correspondent, have happened to throw this extra burden in the packs of Uncle Sam's mailman.

First is that Railway Express agency, having upped its rates three times in the last 18 months, has now practically priced itself out of business. Postal officials say that it now costs about 15 times as much to ship by express as by parcel post. From 90 to 95 per cent of the business that Railway Express has lost has gone to the Post Office.

Second point is that the volume of all other classes of mail has been going up steadily. In the last 15 years, the increase has been over 300 per cent.

Postal facilities have been given no comparable increase to take care of this business. There has been virtually no expansion since 1938. Today the Department could use about 800 more buildings for post offices, annexes and increased terminal facilities. Railway Mail Service has fewer post office cars than it had at the beginning of the war. This is due to wearing out of old equipment and lack of steel for the railroads to build new. Freight cars are now being used.

What all this adds up to is that the U. S. Post Office Department stands to lose over \$550,000,000 in the year ending next June 30.

This is just a beginning. The railroads, to which the Interstate Commerce Commission last February gave a temporary 25 per cent increase for carrying the mail, has now asked for a permanent 65 per cent raise. And foreign and domestic airlines have asked Civil Aeronautics Authority for a 160 per cent increase in their pay for flying the mail.

Next Jan. 1 there will be slight increases in postage rates on all except first and second class mail—letters, newspapers and magazines. Airmail will go from five cents an ounce back to six cents. Special delivery will go from 13 cents to 15 cents. And so on.

These increases are expected to bring in to the government another \$120,000,000 a year, but it's only about a fifth of what's needed to make up the deficits.

Only two classes of postal service now pay their own way. One is letter mail, the other is interest on postal savings.

New estimates show that losses on handling parcel post will be \$80,000,000 this year. Losses on third class advertising matter will be \$129,000,000 on second class \$207,000,000. Other losses adding up to \$134,000,000 include \$18,000,000 on special delivery and \$32,000,000 on money orders.

In connection with the high second-class mail deficit, 65 per cent of the loss comes in handling magazines, 35 per cent on newspapers. It costs the government between \$4,000,000 and \$5,000,000 a year to handle the three big magazines of one publisher alone. What this amounts to is a subsidy, paid by the taxpayers.

In the face of crazy conditions like these, career-man Postmaster General Jesse M. Donaldson will go before the next Congress asking for considerable rate increases and a big building program. Donaldson says he would have no objections to the Department losing from \$150,000,000 to \$200,000,000 a year. But anything over that is too much.

To suggestions from ex-President Herbert Hoover's Commission for reorganizing the government—that the Post Office cut expenses by reducing services—Mr. Donaldson objects. It is a service agency for the benefit of the public, he maintains.

To frequent congressional suggestions that his Department modernize or streamline its operations by mechanism, Donaldson also burns. Ninety-five per cent of postal operating costs are for personnel and transportation. And so far, no robot has been invented that will deliver all those Christmas cards you're going to toss in the waste basket within the next 30 days.

The first day of the deer hunting season resulted in one accident in this county, and a fatality in Forest county. More caution is urged on the part of nimrods.

### Some Folks Are Objecting to Your---Er---Old Look!

### Here And There

This And That: Denzel Phillips, of Spring Creek, RD 2, last week killed one of the largest red foxes seen in the area in recent years. It weighed 15 pounds and the pelt measured 54 inches overall. The Chamber of Commerce committee in charge of the Outdoor Christmas Home Lighting contest is surprised and quite disappointed over the fact that entries are slow coming in, despite the fact that seven worth-while cash prizes are to be awarded for the best displays. Many are of the opinion, however, that Warren folks have not gotten around to the point, as yet, regarding home decorations, and that there will be plenty of entries within the next week. These entries may be mailed or phoned either to the Chamber of Commerce office, Warren Bank & Trust Company building, or the Times-Mirror. A total of \$150 is to be distributed in seven prizes, and it would appear that many will be anxious to compete for them. The Lillian Leitzel Tent, Circus Saints and Sinners Club, of Bradford, is holding a dinner meeting this evening to start plans for the National convention of Saints and Sinners to be held in Bradford next June. The Warren Chapter of the Barbershop Singers is holding regular rehearsals for their Christmas activities, with sessions being held each Monday evening at eight o'clock at the YMCA, followed by luncheon. The Barbershoppers are planning a busy Yule program of activities, including the usual program at the Warren State Hospital. Leo M. Healey, general chairman of the Bradford Disaster Committee and the Bradford Post American Legion Safety Committee, announced that these committees will this year, as last, aid in the search for lost hunters throughout the area. Finishing touches are being added by Junior Chamber of Commerce members to the last of the six large Christmas displays erected at prominent spots in and around the business section, which continue to excite much admiration from all who inspect them.

### YEARS AGO IN WARREN

Interesting Items Taken From The Warren Evening Times

#### 1928

Members of Warren high school's unbeaten football squad were guests of the Nu Chapter of the Alpha Zeta fraternity in the Woman's Club. Members of the Warren Kiwanis Club had the Rev. Robert I. Wilson, Jamestown minister, as their guest speaker for their annual Thanksgiving Day program. A bolt of lightning struck a poplar tree near Sugar Grove, coursed halfway down the trunk, and then ripped a long ditch in the ground to a culvert where it seemed to explode. The blast knocked 25 windows out of the home of Roy Linquist and shattered other windows in the barn. The homes of August Palmer and Mr. and Mrs. Oscar Johnson also were damaged. Myron Jewell, of North Warren, was elected Grand Director of the Alpha Gamma Sigma fraternity.

#### 1938

Word was received from Cleveland that Mrs. Albert Rockwell of Warren was among those qualifying for the finals of the American Contract Bridge League's mixed pair championship tourney. Eighty-year-old E. L. Leary, of 338 Prospect street, bagged a 125-pound doe while hunting in the Ludlow district. Another hunting note told of how A. Lutz of Erie shot his deer with an old muzzle-loading rifle that had belonged to his great-grandfather. A hooked rug, with the design representing the map of the United States was being exhibited at the Warren National Bank by Mrs. Charles Beach, 223 Jackson street, North Warren. The three Warren banks mailed out Christmas Club checks totalling \$80,000.

### May Be A Happy Christmas After All For Childless Pair

Chicago—(P)—A middle-aged childless couple in Chicago hopes to adopt two Austrian orphans and have Christmas with them. Austrian-born Gustav Stettner and his wife, Loretta, have filed adoption papers for the youngsters.

Stettner, a barber, is 62 years old, and his wife is 48. The children are Irene Hollinger, eight, and Rudolph Meinhard, 13. They are not related. Their parents died during the war and both kids are in orphanages in Salzburg. The Stettners have been trying since last December to bring them to the United States, and it was only a short time ago they got Austrian consent for the adoptions.

The Chicago couple was told about the children by an American welfare worker in Austria, and began exchanging letters and sending gifts of food and clothing. The Stettners' attorney—Miss Irene McCormick—has asked the Displaced Persons Commission in Washington that the case get special attention. She has also asked the Chicago Circuit Court to waive the usual six-month waiting period and to approve the adoption while Irene and Rudolph are still overseas.

Miss McCormick says the boy wants to be a barber like Mr. Stettner, and is taking English lessons. The Stettners are paying for. And the eight-year-old girl gets dolls from Mama Stettner all of the time.

Portland, Ore.—(P)—A Record-making Air Force veteran has given up civilian life and is back in uniform. Hewitt Dunn, of Norfolk, Va., flew 104 combat missions

without mishap, and is credited with having flown more missions against the enemy than any other airman. He was a Flying Fortress gunner.

Dunn explains he kept flying—although eligible for returning to the U. S. after a maximum of 35 missions. He gives his reason: "Because I liked it." Since the war, Dunn has married, become a father and attended college for two years. He moved to Portland recently.

Augusta, Ga.—(P)—Chimes rang out at the African Methodist Episcopal church—and an aged Negro couple sat at home and listened to a dream come true. The Rev. Robert Johnson, 81, and his wife, Mattie, 74, had dreamed of chimes in their church. And the hope has been realized because the aged couple has figured its future living costs down to the penny.

The man who sold the chimes—W. C. Wooten—says the minister is bedridden. And so, when Mrs. Johnson negotiated for the chimes, she stipulated they must be heard outside of as well as in the church. She was assured they could be heard for one-half mile. Yesterday the Johnsons napped over a sugar sack to the chimes company. In it, in change and small bills, was \$968.50, the full cost of the chimes.

That was money the couple figured it could spare from its none-too-adequate income.

New York—(P)—An official of the National Employment Board sees the return of keen competition for jobs. And Miss Grace Cooke of the Association of Private Bureaus specializing in professional and white-collar employment adds employers are already studying job applicants with great care.

Many countries hold elections on Sunday because on that day the greatest number of voters can take part.

# Home Demonstrator Tells How To Care For Venison

Chautauque Post-Journal: With a terrific success (hunter's view), the question of what to do about venison has been kept-telephone wires hot in the office of Miss S. Virginia Brewster, home demonstration agent in the last few days.

Today, in self-defense, the extension agent out-distracted housewives' minds at ease with a few timely hints on the curing and king of venison.

The advice of Mrs. Frank Walker-Sprague Hill Road, a local authority on the topic, Miss Brewster said, is to let the venison hang at least one week in a cool place after cleaning and skinning. The purpose of the hanging, as with fish, is to allow the body heat to dissipate and to tenderize the meat through aging.

One recognized cook book, according to the agent, advises a 7-day hanging period, but the actual length of time is largely a matter of preference, and the weather.

At the end of the aging period, venison is ready for cutting, Mrs. Walker has hers cut at a kitchen plant into as many steaks as possible, since steaks are the most popular form of venison.

If the deer is young, there will be none of the objectionable "strong" flavor in the meat, Mrs. Walker said. The strong taste in the meat of an older animal may be minimized by rubbing the steaks or roast in a weak solution of vinegar with salt added, and allowing it to stand overnight, she advised. Vinegar also weakens the connective tissue, adding to the meat's tenderness.

Tasty as steak, venison is also good in minicemeat, stews and hash, Miss Brewster noted. A recipe for venison cutlets she gave as follows:

Clean and trim slices cut from the loin. Sprinkle with salt and pepper, brush over with melted butter or olive oil, and roll in soft, stale bread crumbs. Broil or saute in butter.

Three and a half hours is the time necessary for processing canned venison in a boiling water bath, while about 80 minutes is required for quart jars in a pressure cooker.

Venison to be canned, the agent advised, should be cut up, the fat trimmed, and packed not too tightly in jars with a teaspoon of salt to each jar. No water should be added.

Legal limit, in New York State, for keeping venison, whether frozen or canned, is 60 days, an important point for the hunters' wives to note. A stiff penalty is attached to violations of this law.

## Sylvania Has Instrument To Aid Television

New York—A recording spectroradiometer which will accurately plot the full range of light produced on a television viewing tube screen has been designed and built in the Research Laboratories of Sylvania Electric to speed intricate testing of commercial television tubes according to an announcement by Dr. R. M. Bowie, manager of the physical research laboratories of Sylvania Electric Products Inc.

Dr. Bowie said that he believed that this new scientific instrument should prove important as a practical means of speeding the testing of commercial television tubes and as a tool implementing standardization techniques now being studied by the U. S. Bureau of Standards and the television industry.

The instrument analyzes the components of the light produced by the tube screens by measuring and recording the degree of output of all visible light wavelengths progressively. The process, which is entirely automatic, requires only forty-eight seconds for each tube.

This contrasts with former methods in which a skilled technician had to take and plot hundreds of values requiring about half a day's work. The former method also was an approximation, since few points along the relatively wide visual spectrum could be plotted in even that time. The new automatic recording instrument provides a continuous charting of light at all wavelengths.

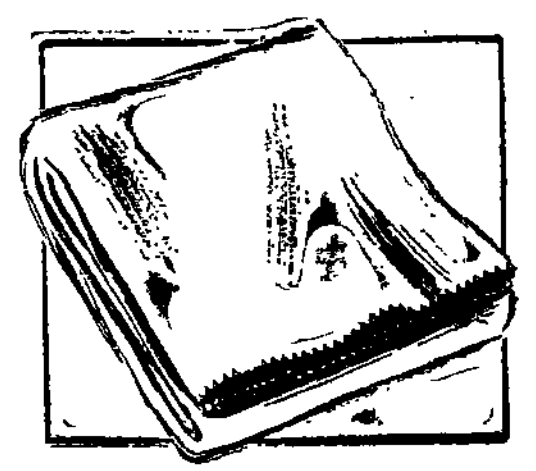

Dr. Bowie stressed the contribution to the television tube art which he believes the recording spectroradiometer will make by saying, "the problem of standardization of television viewing tube screens is not simple. Chemical control of screen materials must be rigidly applied since minute changes seriously affect the actual color of the viewing tube's light output."

## Maxine Matthews Becomes Bride Of Gail E. Ettinger

Mr. and Mrs. Vorman B. Matthews, 315 Water street, announce the marriage of their daughter, Maxine Louise, to Gail E. Ettinger, son of Mr. and Mrs. Lue Ettinger, 205 Division street, on Friday evening, November 26.

The seven o'clock candlelight ceremony was performed by the Rev. Beecher M. Rutledge in Trinity Memorial church in the presence of the immediate families.

Given in marriage by her father, the bride was attractively attired in a frock of medium green, with which she wore dark green accessories and a white rosebud corsage.

Her sister and only attendant, Mrs. Robert F. Fuhrer, wore a frock of gray color and a corsage of red rosebuds.

Louis B. Ettinger served his brother as best man.

The bride's mother wore a corsage of pink rosebuds with a light blue ensemble and the bridegroom's mother wore yellow rosebuds with aqua.

Following the ceremony, a small reception was held at the home of the bride.

After a short wedding trip, the couple will be at home at 206 Onida avenue.

Prior to her marriage, the bride was employed as a stenographer for the Pennsylvania Electric Company.

Mr. Ettinger is a partner in the E. and S. Keystone Service Stations.

# Plenty Jobs Open During Yule Season

Harrisburg—Want a job playing Santa Claus—and get paid for it? Apply to the nearest State Employment Office.

A. Allen Sulcove, director of the service, said today a spot survey of local employment offices, across the state showed a need for 25,000 to 30,000 temporary workers for the Christmas season.

They include hasting from stores for men to don the familiar red suits and long white whiskers and listen to the plea of youngsters of what they hope to find in their stockings on Christmas.

Most of the temporary jobs will be in the stores where extra clerks, wrappers, demonstrators, cashiers, are needed to handle the Christmas rush.

Employers are also looking for extra beauticians, entertainers for holiday parties, Christmas tree handlers, messengers to carry holiday telegrams, waitresses and bartenders and poultry dressers.

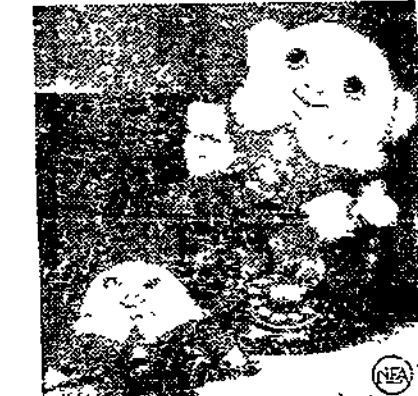

Less striking jobs include warehouse laborers, truck drivers, freight handlers and extra mail clerks and carriers.

"We didn't anticipate too much difficulty in filling the jobs," Sulcove said. "A lot of housewives are taking jobs in stores to help bolster the family pocketbook in the holiday season."

New York—(NEA)—If you are long on little friends, short on cash this Christmas, make your own toys.

Engaging dolls, animals, and crib toys can be whipped up in a jiffy of scraps of yarn and fabric. Now hot-iron transfer patterns with sewing and finishing directions will make it easier this year for you to stock up a Toyland of your own making. Pals of heart-winning Humpty Dumpties, floppy-eared dachshunds, banjo-eyed pups, gaily dressed Goldilocks dolls and clever puppet toys may be made of scraps, stuffed with cotton, and given captivating features with odds and ends of embroidery thread.

Now puppet toys which beg to be taken in hand by a child and which will encourage the lucky lot to stage his own puppet shows make enchanting novelties for this year's Christmas list. One puppet toy which comes out of a workbasket boasts the toy-like head of a pup but wears a man-styled jersey shirt to fit the hand of a little puppeteer. This lucky little child will discover by thrusting his small fingers into the arms of the dog's shirt dozens of ways to have

J. E. Osgoods  
Have Anniversary  
At Youngsville

Youngsville, Dec. 1.—Mr. and Mrs. J. E. Osgood, who celebrated their golden wedding anniversary last week, were honored guests for several affairs marking the milestone.

They and other members of the family were entertained Thanksgiving Day, with dinner at the home of their eldest son and wife, Mr. and Mrs. Harvey Osgood, of Youngsville.

A special table was set for the Osgoods, the three sons and three daughters, the complete family circle. Seated were the honored ones, Harvey Osgood, Charles Osgood and Mrs. Marshall Myers, Youngsville; Mrs. Lewis Barber, Mrs. Gail Jones and Mrs. Robert Osgood, Warren. Twenty-one in all were present for the dinner, with other guests seated about the room at small tables. The central table was arranged with a color scheme of white and gold, carried out in crystal candelabra holding gold candles and gold-colored flowers in a lovely vase, gift of the family. Corsages and boutonnieres were presented by the hostess to all at this table, that of the bride of 50 years being of yellow roses. With bowed heads, all listened to a beautiful rendition of The Lord's Prayer as a preface to the delicious dinner.

Open house at the Osgoods' own home was observed on Sunday afternoon and evening. The home was very attractive with white wedding bells, golden streamers and many flowers. About 100 guests were present to offer their congratulations and best wishes, and to be served refreshments, including a beautifully decorated wedding cake.

Mr. and Mrs. Osgood received many gifts and hearty congratulations from the guests, who came from Franklin, Warren, Tionesta, Endeavor, Youngsville and vicinity.

Hugh Thompson Is  
To Be Presented  
By the Jaycees

The Warren Junior Chamber of Commerce music committee will present the second of its season's attractions next Monday evening at the Woman's Club in the person of Hugh Thompson, who has been described by critics as "the best thing in the baritone line since the debut of Lawrence Tibbett."

Mr. Thompson, young leading baritone of the Metropolitan Opera Company, arrived like a comet on the operatic scene when he made his Met debut in December, 1944, to the praises of all the New York critics, including Olin Downes.

Since then, the applause of the press and public has been steadily acquiring tone. It seems by now to be an assured fact that Mr. Thompson is no comet, no flash in the pan, but a fixed planet of the opera, the concert stage and radio.

He is, likewise, no stranger to Warren music lovers, who have heard him at Chautauqua and from other leading stages.

Admission to the Jaycee-sponsored concert on Monday evening is by membership card only, there being no single admissions available.

## County Quota For December Set At Sixty

Warren county will be called upon to furnish sixty men during the month of December for pre-induction physical examinations in Erie. This will comprise the third call received by the local draft board. On Tuesday, December 14, thirty men will make the trip to Erie, and on December 21 a supplemental third call will send thirty more to Erie.

To be inducted for the Warren county December quota are eight men whose names cannot be released until the day before their actual departure for Erie. They will be called to go on Thursday, December 16.

The names of the men to go for pre-induction examinations will be released following a meeting of the board to be held in the near future.

### Missing Hunter Uses Head To Reach Safety

Elmer Walter, 70, of 609 Water street, Warren, returned safely to his hunting camp at Dunkham's Siding, near Hearts Content, yesterday, after spending Monday night by a campfire in the woods.

Walter, who was the object of a widespread search, told authorities he started following a trail he believed would take him back to camp, but wound up on a different ridge as darkness started to fall. He then built a campfire to keep warm, and headed back to camp Tuesday morning.

The potato is a native of South America and was found in North America as early as the 16th Century.

## W P L REPORTING

This is the season of the year when the Warren Library finds its greatest demands coming from patrons who want books on "how-to," how to make Christmas cards and gifts; how to find stories and plays for holiday entertainments and how to decorate the house for Christmas.

There is also a great demand for books on hunting and fishing, home-crafts, including carpentering, leather work, plastics and other hobbies. The library staff will be glad to help you find out "how-to."

—WPL—  
The function of the public library has changed greatly within the past two generations. The old conception of the public library was that the library was a musty institution where human knowledge was stored away. It took on somewhat the aspect of a museum.

Today, fortunately, all that is changed. Now people recognize the public library as the helpful institution it is. True, human knowledge still reposes here in printed form, but it is indexed and cross-indexed so as to be readily available to any individual seeking information on any subject. The Warren Public Library is increasing, twice as many Warren people would use the library's facilities if they were fully acquainted with them. Visitors are always welcome at your library, and members of the staff are ready and willing to show people through the beautiful building and assist anyone in finding data or books that might be desired.

—WPL—  
The Librarian believes that you will enjoy "The Precipice," "The Wild Country," "The Big Fisherman," "The Hickory Stick" (especially teachers); "Love Among the Ruins" and "The Bold Gallop" from among the new fiction. Outstanding new non-fiction: "The Plague" and "The Seven Storey Mountain," "George Washington," "Their Mother's Sons," "Westward Ho!" and "John Goffe's Mill."

## Prayer Service For Local War Casualty

Father Alfred Bauer, pastor of St. Joseph's church, conducted the prayer service held at the Leo D. Gibson Funeral Home at three o'clock Tuesday afternoon for Pfc. Thomas Carl Genovito, 200 Walnut street, who lost his life in Italy on October 12, 1944, and has been brought home for reinterment.

Interment was made in St. Joseph's cemetery, with the following members of Dunsmoor-Schwartz Post, No. 631, Veterans of Foreign Wars, serving as honor guards at the funeral home and as bearers: Esty Lyle, Howard Campbell, Henry Wise, Kenneth Shattuck, Lawrence Simonsen and Lloyd Peterson.

Those who came from away to attend the final rites were Mr. and Mrs. Anthony Scutella, of Kane, Mrs. Eleanor Bidwell, Sheffield; Thomas Barbera, and Mrs. Ignazio Barbera, Clarendon.

### Government Cuts Air Link With Isolated Suchow

(From Page One)  
abandonment of Suchow five days ago.

(Because the order was not obeyed promptly, suspension of the airlift was regarded as a move to force the ground troops to get out and fight. And it meant no additional supplies will fall into Communist hands of the Reds march into Suchow.)

Nationalist airplanes were reported to have abandoned Suchow's dusty airfield. Capture of the field appeared imminent.

Disorder bordering on panic at the airfield was reported by American pilots who tried unsuccessfully to land early today with the last load of supplies. They said able-bodied soldiers milled about in confusion.

One American pilot likened the scene to "the last day of Mulkden." The Americans said they were unable to contact Suchow by radio. Officials continued to deny reports of plans for removal of Chiang Kai-Shek's government. But individual ministries continued to shut down and officials began thinking of fleeing themselves.

### Guardian Sought for Woman With \$140,000

(From Page One)  
Superintendent of Police Howard F. Suttler and Dallas Jones, assistant manager of the Bellevue-Stratford Hotel.

The petition stated Mrs. Cunningham was found "in a dazed condition" in the hotel dining room and that she was "unable to protect herself or her property."

Earlier, William T. Connor and Harlan H. Scott, attorneys for Mrs. Cunningham, filed a writ asking for the return of the property to her.

Judge Bok set a hearing on the petition for Dec. 13, and at the same time tied up any disposition of the property until that time.

### GUILTY OF MURDER IN THE SECOND DEGREE

Westonburg, Dec. 1—(P)—A Westonburg county criminal court jury required little more than an hour last night to find Luther J. Hauser, 37, guilty of second degree murder in the shotgun death of a 44-year old woman. Hauser, a resident of Mt. Pleasant township, was accused of the slaying of Mrs. Sarah Porterfield Becker last Sept. 1. The defendant had lived at Mrs. Becker's home 15 years.

Judge Richard D. Laird will impose sentence at a later date. A second degree murder conviction carries a sentence of from 10 to 20 years.

### GIRL'S FAINT SCARES PITTSBURGH BURGLAR

Pittsburgh, Dec. 1—(P)—Pretty little Lois Simcik, 18, doesn't give one the impression she could scare a burglar. But she did.

One walked into the Fifth avenue (downtown) communications office of Western United Airways yesterday. He pointed a gun at Lois and snatched.

"This is a stickup," Lois slumped over in a faint. The gunman, unnerved, fled, footless.

## Eisenhower Honors Thrift Clubs

PHILADELPHIA, Pa.—General Dwight D. Eisenhower, once a newspaperboy, receives a plaque from the hands of Joseph Heron, member of the Philadelphia Evening Bulletin Treasury Newspaperboys' Thrift Club. The Club, largest in the nation comprising 5,000 carriers who are putting part of their earnings regularly into United States Savings Stamps and Bonds, was host to the General at a Newspaperboy Day rally, the idea being to set up an annual award for an outstanding American with a newspaper background. Actually the carriers rightly felt the General was honoring them and all newspaperboys in the country in part, operating in the big rally here and paying public tribute to newspaper boys.

## BULLETINS

Baltimore, Dec. 1—(P)—H. L. Menchen, the "sage of Baltimore," is a patient in Johns Hopkins hospital.

Washington, Dec. 1—(P)—A top state department official said today that Russia's formation of a separate government in eastern Berlin makes an east-west solution of the Berlin crisis more difficult if not impossible.

Pittsburgh, Dec. 1—(P)—Sgt. suspects in the Oct. 25 Plum township holdup slaying of Donald Schreengost, 30, w.e.e. being given his detector tests today by State Police Sgt. Freeman Ramer.

Warren, O., Dec. 1—(P)—Five crewmen of the Baltimore & Ohio's Chicago Express were injured slightly last night when the Diesel-powered passenger train crashed into a New York Central freight train about five miles south of here.

Kalamazoo, Mich., Dec. 1—(P)—In a commando-like raid, about 300 invaders broke into the two strikebound factories of the Shakerware companies here today, wrecked equipment and parked cars, injured several workmen and then fled. Police Chief Howard Hoyt termed the raiders "unborn goons."

### PRESIDENT FAVORS REGROUPING PROGRAM

Washington, Dec. 1—(P)—A proposed rearrangement of 60 federal agencies which may save the government \$3,000,000,000 annually had the approval of President Truman today.

The plan was recommended by former President Herbert Hoover, who heads a bi-partisan commission which will recommend changes in the executive branch of the government to the next session of congress.

Hoover estimates that the proposed regroupings could save the government as much as \$3,000,000,000 a year.

He made known Mr. Truman's approval following a 45-minute conference at the White House. Hoover also announced an aim to increase federal salaries, especially in the top brackets, but did not say whether the president had okayed it.

### Market Quotations

New York, Dec. 1—(P)—Demand revived in the stock market today and blocked a losing streak under way for the past week or so. In active trading leading issues advanced fractions to a point of more. Many stocks moved up from their low prices for the year or longer. Steel, rails and motors attracted the lion's share of interest although buying was pretty well distributed.

## Dragons Ground Flying Dutchmen 42-36; Face Erie East Here Friday

Warren High Dragons wrote victory No. 2 into their 1948-49 basketball record by grounding the Flying Dutchmen of St. Marys, 42 to 36, in Beatty gym last night. The crowd was not quite so large as the full house which turned out for Warren's opening tilt against Youngsville last Friday.

Included in the crowd were members and coaches from Frankston, Bradford, Jamestown and Kane. The Massanese will keep the 32nd hardwood hot with another home tilt Friday night against Erie East. Game time is 8:15 o'clock, with a preliminary starting at 7 p. m.

St. Marys matched the Dragons in height and ranginess, and the affair was a dug-dong battle throughout. The visitors scored the opening two points, but the Blue and White took the lead away

## Trojans Set For Mighty Notre Dame

Los Angeles, Dec. 1.—(AP)—Southern California's Trojans went about their football drills today, fully aware that mighty Notre Dame is headed this way and is heavily favored to take them apart here Saturday in the finale of the season for both eleven.

It will be the 20th meeting between the two in a series that began in the years of the late, great friendly rivals, Knute Rockne and Howard Jones, back in 1923.

Notre Dame is pointed for its 22nd consecutive victory, its 28th game without a loss—a victory string interrupted by that famous scoreless tie with Army in 1946.

The incredulous part of the thing is that the game is a sell-out. More than 100,000 people will see another great Irish eleven take on a Trojan team that has far more spirit than talent, an outfit that has been beaten by Ohio State, Oregon and California.

Last year it was recorded that the Troys awaited the Irish much like condemned men awaiting the executioner. The observation drew caustic replies from Trojan rooters. One even wired that USC would upset the South Bend team.

Well, the execution took place, on schedule—38-7.

But hope never dies, as witness last Saturday's results around the country, and there always is a chance for a miracle. Trojan rooters still hold out hope for a miracle on Saturday.

## BOWLING

### INDUSTRIAL LEAGUE

Timmis Bros. inched closer to the lead position in the Industrial tenpin league race last night by copying three points at the expense of Warren County Motors. Farr's Sports Shop, last week's leader, and Kinnears were idle to postponement of their match.

In other league scraps, fired on Penn lanes, Check Bros. copped three points at the expense of Warren Food Lockers, and West Penn Oil posted a 3-1 triumph over Warren County Insurance.

### YOUNGVILLE LEAGUE

East End Store continued to blaze a hot victory trail in Youngsville tenpin league competition last night by shellacking Millies Inn for four points. In other league tilts, Youngsville Billiards took four points via the forfeit route from A. B. C. Store; Engstrom Tailors chalked up a 3-1 triumph over Fairmont Hotel; and Pleasant Valley duplicated the performance against Walters Hardware.

A. Johnson, toting the line for Engstroms, copped individual high

## Assortment of Jobs Available For Hamilton

Pittsburgh, Dec. 1.—(AP)—Capt. Tom Hamilton had a choice of jobs today—he can remain as athletic director of the U. S. Naval Academy or become all-around sports boss of the University of Pittsburgh.

Just as most everyone had predicted, Hamilton yesterday was offered the job of Pitt director of physical education and athletics—a brand new position combining the athletic directorship with that of physical education.

And with the position goes the task of bringing Pitt back to athletic glory—particularly to the place of prominence it formerly occupied among the nation's football powers.

The athletic directorship has been vacant since last July when the Veteran Jimmy Hagan resigned to climax a series of investigations over Pitt's declining athletic fortunes—particularly on the gridiron.

Chancellor Rufus H. Fitzgerald, who announced the selection, said later Hamilton will come here by plane Thursday to look over the situation.

Like most married men who have an important decision to make, Tom will talk it over with his wife. Mrs. Hamilton will accompany her husband to Pittsburgh.

As far as the Navy's concerned Hamilton can retire any time he wishes. A Navy official at Washington explained he has accumulated enough service to go on the retirement list.

## St. Bonaventure Has Big Squad For Scrap In Beatty Gym Tonight

St. Bonaventure College, boasting one of the top-ranking basketball squads in the district, will invade Warren tonight for an exhibition tilt in Beatty gym against the Warren Bulldogs of the All-American League.

Game time will be 8:30 o'clock, with a preliminary round between two top Warren squads, Style Shop and Struthers Wells, slated for 7:15 p. m.

Admission price will be a dollar for adults and 50 cents for students.

The game is the third in a series of exhibition affairs for the Bulldogs against the cream of the district's college floor combines.

The Bulldogs were nudged, 41-40, in the opening game against the veteran Westminster squad, and were beaten by a 10-point margin by the Geneva Covenanters.

Coach Joe Hardy, in an effort to secure a winning combination, has completely revised his team roster, with Ted Wybernac, smooth floor performer from Jamestown, and Freddie Schwab, towering Corry pivot, being the only holdovers.

Newcomers include Deacon Stanky, who formerly played here with the crack Warren Penns, and several others who have frequently appeared here in independent games, including six foot eight Moose Bellingha, Dan Krouse, Andy Olsen, Frank Bohun, Ziggy Markowitch and Johnny Lipchick.

This squad has been playing together for several seasons in Erie and Corry.

The St. Bonaventure team includes such stalwarts as Ken Murray, who led his team's scoring last year with 215 points, and Sam Urzetta, national foul shooting champion. Others include Frank Walsh, Ed Krouse, Frank Ready, Paul Mackey, Tony Iacovino, Ed Donovan, Bernie McManus and Leo Conkey, the only sophomores on the big squad. The team averages six feet six and is coached by Ed Milkovitch.

The Warren Bulldogs will open their All-American Professional League campaign Sunday, Dec. 5, at Cumberland, Md., while the Pittsburgh entry in the loop will come here Wednesday night, Dec. 8.

## BOWL GAME TO END PENN STATE SEASON

Penn State College, Dec. 1.—(AP)—Penn State's once-a-year football team will play its last post-season game, a spokesman for the athletic board said last night.

The spokesman, who declined use of his name, said Penn State defeated only by Pitt has been reported under consideration for a night game to follow the New Year's Day Orange Bowl contest at Miami, Fla.

Penn State, the spokesman said, would consider such an invitation, if formally issued, but added that "there's not much chance of its being accepted."

He also said Penn State previously rejected a feeler from Illinois Bowl officials at San Diego Cal. Villanova College yesterday accepted a bid to meet rivals at the Harbor Bowl.

## Cars Change; So Do Models

In preparation for the fifteenth anniversary of "Knee Action," Chevrolet restaged with a current car a photograph taken when it introduced coil springs. Both picture above show (l to r) George LaGuire, now a factory production manager; Robert Allen, Broadway actor; Mrs. Ray Prohaska, wife of a well-known artist; and Roland Utter, of the "Baby" in the 1934 pose who is now a college sophisticate.

### SPORTS ROUND-UP

By HUGH FULLENTON, JR.

New York, Dec. 1.—(AP)—Vic Marsilio is a little guy with a big peeve. He also has a heavy weight named Mielu Bettina and a beautiful flow of what passes for the English language.

The combination is terrific if he gets you cornered. . . . Yes, it seems as if the guy who brought Jerry Joe Walcott out of retirement but couldn't actually manage him because he also was a promoter.

In the course of events, he found he no longer had anything to do with Walcott. . . . I took him when he actually had cardboard in his windows," Marsilio protests.

"What harts was that he never put in a word for me. When I had Jersey Joe I turned down Bettina because I didn't think Walcott could lick him. Now I know he can't and I want to be a stumbling block for Walcott."

"Slobo is 32," Marsilio added, "but he's no older than the other guys fighting now. The fight writers look at me kinda funny when I talk about him, but they also looked at me funny when I brought the other guy up from Camden."

The term "Siamese twins" was just applied by Champ and Eng, joined twins born in 1811 at Mekong, Sam.

WELL! NOW IT'S TIME FOR BED, CARLYLE!

I LET HIM BEAT ME! HE GETS SUCH A WALLOP OUT OF IT!

THAT WAS SWEET, DEAR.

AND TONIGHT HE'LL DO THE DISHES! HE'LL WASH THEM AND DRY THEM!

POOR CARLYLE!

CAN I BE THE FIRST TO TELL HIM?

JUST LOOK HOW YOUR BROTHER LEAVES HIS ROOM! FRIGHTFUL!

WELL, I'LL FIX HIM! WHEN HE COMES HOME FROM SCHOOL HE CAN TIDY IT UP... ALL OF IT!

VIC FLINT

Windy Gale arrived in Deerville too late to call on Mrs. Malloy, so she slept in her garden.

I COULDN'T SLEEP AFTER HEARING YOUR NEWS, CHRISTOPHER. TO THINK YOUR COUSIN ROBIN ARCHER IS INFORCING THAT LOVELY GIRL, VERA!

GRANDMOTHER, WHEN WILL YOU LEARN THAT A DIVORCE ISN'T SUCH A GREAT TRAGEDY? AFTER ALL, I'VE HAD TWO OF THEM.

AND DISAPPOINTED ME SO GRAVELY THAT I CUT YOU OUT OF MY WILL. NOW I FEEL FORCED TO PUNISH ROBIN THE SAME WAY.

IT'S CUDDLES AND OLD LADY MALLOY!

TO ME, CHRISTOPHER, DIVORCE WILL ALWAYS BE TRAGIC. YOU KNOW HOW MUCH I PREFER THE SIMPLE HOME LIFE YOUR GRANDFATHER AND I LED TO YOUR MODERN RACING AROUND.

TIMES HAVE CHANGED, GRANDMOTHER. AND NOT FOR THE BETTER. THE WORD "FAMILY" SEEMS TO MEAN NOTHING.

BUT IT'S FOR THE SAKE OF OUR FAMILY THAT I'M HERE, PLEADING FOR FORGIVENESS FOR OUR DIVORCE. AFTER ALL, ROBIN, HIS CHILD AND I ARE THE ONLY FAMILY YOU HAVE!

IF YOU CUT ROBIN ARCHER AND ME OUT OF YOUR WILL, GRANDMOTHER, WHAT WILL BE THE FUTURE OF ROBIN'S LITTLE SON?

YOUR APPEAL TO MY FAMILY LOVE STRIKES HARDER THAN YOU CAN GUESS, CHRISTOPHER.

I HAVE RECONSIDERED. DESPITE HIS DIVORCE, I SHALL LEAVE ROBIN AND HIS SON IN MY WILL, BECAUSE OF YOUR GENEROUS PLEADING OF HIS CAUSE.

I SHALL RESTORE YOUR ROOMER SHARE, THAT SHOULD MEAN ABOUT \$200,000 A PIECE.

CUDDLES IS SURE MAKING A GOOD DEAL OUT OF ROBIN AND VERA'S DIVORCE SUIT!

## New Battle On Oleo Tax Is Now Certain

Harrisburg, Nov. 29.—(P)—The opposing forces on the oleomargarine issue are girding for a new battle in the 1949 legislature. State Sen. Louis Farrell R., Phila., who fought for repeal of all restrictions against sale of oleo in the 1947 session, said he would renew his effort in the next legislature.

At the same time, the Pennsylvania Grange, which led the fight to preserve restrictions on oleo, declared that it will challenge any efforts to repeal the 1947 oleo act. "I expect to sponsor a bill to put oleo on the market in the same status as any other food product," Farrell stated.

He said the bill would be similar to one he introduced in the 1947 session, calling for removal of all oleo restrictions. This was rejected for an act which established a license fee of \$2 for the sale of oleo, requires that the product be sold without color, and restaurants serving it print the fact on its menus.

Farrell said he was not opposed to a license fee for the sale of oleo, but declared that all other restrictions were "decidedly unnecessary and unfair."

The State Grange, however, maintained that the present oleo law is "very reasonable and ought to be left intact."

A spokesman said that the Grange is "particularly concerned that oleo be sold white rather than colored yellow."

"It ought to be sold for what it is and not given a chance to be mistaken for butter," he emphasized.

Meanwhile another group which strongly opposed restrictions on oleo in the 1947 legislature indicated it may continue its fight next session.

"We are certainly not satisfied with the new law," said Charles H. Von Tagen, chairman of the Pennsylvania Food Trade committee on margarine distribution.
